

SJC presents:

## **CFI Safety Outreach**

All pilots are encouraged to participate. Join us for a fun filled facts and evening of discussion with your CFIs and FPM on verifying the airworthiness of the aircraft in this quarterly forum with little known facts about what to look for in the paperwork to verify the airworthiness of your aircraft to include preflight planning.

**Directions:** From 101 take the Airport Boulevard exit to Salinas Airport proceed over the overpass. Turn right at the intersection with Skyway Blvd. Proceed straight ahead and follow the road past the terminal. Skyway Blvd merges with Mortensen Avenue follow the road to the end hangar on the left hand side where you will see the 'Gold Coast Aviation' on the left. Park in the open parking spots along Mortensen or in the dedicated parking area.

Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.
